

Visual Vocabulary: Natural Disasters (Grade 7)

Flood

повінь

A photograph of a tropical coastline during a hurricane. In the foreground, a dark asphalt road runs along a sandy beach. White, foamy waves are crashing onto the shore. Several palm trees are visible, their fronds bent and blowing in the strong wind. The background is hazy and grey, suggesting heavy rain and storm clouds. The word "Hurricane" is overlaid in large red letters across the middle of the image.
