Interviewer Today I'm talking to three children about their national dishes. Where are you from Diego?

Diego I'm from Chile.

Interviewer Tell me about Chile's national dish.

Diego Well, we often eat empanada. It's kind of bread with meat or vegetables inside. Sometimes we have empanada with prawns. It's delicious.

Interviewer And what about you, Tony?

Tony I'm from Greece, and our national dish is moussaka. It's meat with vegetables, tomatoes, cheese and a milk sauce.

Interviewer Very nice. Katie, you are from England.

Katie That's right.

Interviewer And what's England's national dish?

Katie Oh, I think it's fish and chips. Everyone loves fish and chips.

Interviewer Thank you Diego, Tony and Katie.
